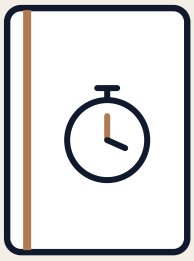
VETTA EDUCATION

Medicine · Dentistry · Oxbridge

Interview coming up? Practise a timed MMI.

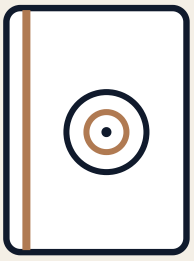
Six free mock MMIs. Thirty stations. No account needed.



Timed like the real day

FREE

Reading time, then a countdown for every station.



See what each station tests

FREE

Every station shows the skills interviewers look for.

Keep your own record

FREE

Answers stay on your device. Download them to review.

STATION TYPES YOU WILL PRACTISE

Motivation and insight
Why medicine, and what the role really involves.

Ethics and judgement
Consent, confidentiality and fair decisions.

Role-play
Explaining, listening and breaking difficult news.

Calculation
A dose worked through out loud, step by step.

Teamwork and reflection
Mistakes, conflict and what you learned.

The NHS today
Current challenges, and how you would weigh them.
